1. Click this link - DistrictFinder (use your browser "back" button to return to these instructions)
2. Once at the Washington State Legislature website (District Finder) fill in the blanks and select either "Legislature" or "Congressional" district type.
3. Then click the "Find My District" button.
4. A page (with a map) will open to show (based on your home address) who your representatives are depending on which district type you selected in step 2.
